As our world is in need of healing so are we, personally and communally. Let us, during this in-between time, come together to share our stories, our fears, our uncertainties, our grief, trusting in the healing love of God as we journey into the future.

**Sister Susan Schorsten** and **Sister Gay Rowzie** are Humility of Mary Sisters and will be sharing the experiences they have gained through their ministries, studies and participation in programs on this subject.

***SPACE IS LIMITED! No charge, but pre-registration required.***
